風格系列

米雅餐臺，物如其名，簡潔又優雅。雙層可拉伸外加自動彈出式臺面的設計，使得這款餐臺桌面比其他的稍微高一點。米雅餐臺除了標準款之外，還特別推出適用於陽臺的、桌面相對較窄的款式，讓單調沉悶的陽臺生動起來！

MIYA dining table, as its name suggests, is simple and elegant. The design of double-layer stretchable and automatic pop-up table top makes this table slightly higher than others. In addition to the standard style, the MIYA dining table also introduces a relatively narrow style suitable for the balcony, which makes the monotonous balcony vivid!
