弘

據《說文》，“弘”本義是弓聲，特指聲音洪大的弓聲。後有通“宏”，帶“大”的形容詞意，又因弓背隆起處是弓彎曲或伸張最關鍵的部分，所以“弘”的動詞意是“擴大、發揚”。

According to Origin of Chinese Characters, the original meaning of “弘(Hong)” is the sound of bow, especially the loud voice of bow. Later, it has the adjective meaning of "macro" and "large". The English name of this product is CAMBRIDGE, in the hope that it will be like the city of Cambridge, with quiet and scholarly fragrance in modernization.
